Home furnishings and storage source book.

Professional's Choice:

A Step Beyond Other Storage/Furniture Systems

As you can see, our Professional's Choice line of products can brighten virtually any room in the house . . . from Formalizing the Family Room, to Creating the Classic Kitchen.

This contemporary wire style takes only minutes to assemble and can be reconfigured to change as quickly as your needs change. No other wood, wire or plastic system can measure up!

Additional Features:

- Heavy-duty 18-gauge steel holds up to 500 pounds per shelf.
- Shelves adjust on 1" increments.
- No tools required for assembly.
- Wire design minimizes dust accumulation and allows ventilation for stereos and other electronic equipment.
- Available in chrome or black or white epoxy finishes.
- 20 Year warranty.
- Leveling feet adjust to accommodate uneven floors.
- Over 20 million similar units are on the job throughout the world.

Formalize the Family Room

About This Brochure

Listed below each picture is the quantity and part numbers needed to create that unit.

If you don't see the exact item you want, simply mix and match posts, shelves, and accessories to create your own unique system.

Please be aware that where cut posts are shown, they are not provided pre-cut by InterMetro.

In either case, simply take this brochure to your local InterMetro dealer who will be happy to assist you.

Office Transitions™

Begin with the desk and build to adapt to your needs...The InterMetro Office Transitions Desk features a 28" x 45" comfortable work surface that stands 30" high. It assembles easily without any special tools. Its 1" thick Medium-Density Fiberboard (MDF) with a vinyl covering provides a seamless work surface that is resistant to spills and most common stains. Tops are available in Granite, Maple and Cherry. All wire components are epoxy-coated with a Smoked Glass finish for long-lasting good looks.
